

Camp Wasaga Leader in Training Program

Introduction

Camp Wasaga offers this program for young people (14 years of age and older) who are interested in developing their own leadership skills in an outdoor/camp setting. The program includes skills development and activity planning in a nature-focused program, covering topics such as nature games, crafts, hikes, canoeing, kayaking and overnight camping trips.

The LIT program offers young campers the opportunity to increase their independence and confidence by attending Camp Wasaga without their parents. LITs are supervised by the LIT Coordinator and the Camp Director. Their behaviour must be consistent with the standards established by Camp. A curfew is enforced.
